Filed: June 26, 2003	Attorney Docket No: NK.0133.00
Title: CONTROLLING THE FLOW OF A POWDER	May 13, 2008 San Francisco, California 94107

PETITION TO CORRECT NAME OF FIRST INVENTOR

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Examiner:

This petition is being filed to correct the spelling of the last name of the first inventor in the above-referenced application. The inventor's last name has been misspelled on documents throughout the application; however, in some documents, such as the Declaration and cover sheet of the new patent application, the last name was spelled correctly.

Attached are the following documents to illustrate the various discrepancies in the inventor's last name: 1) Cover Sheet of new application as filed (spelled correctly as "Boeckl"); 2) Power of Attorney and Correspondence Address Indication Form (spelled incorrectly as "Boeckle"); 3) Declaration (spelled correctly as "Boeckl"); and 4) Inventor Information on Application Data Sheet (spelled incorrectly as "Boeckle").

Certificate of Transmission

I hereby certify that this correspondence is being electronically transmitted on the date shown below.

By:

Leslie Mills

Date:

May 15, 2008

Although the misspellings are partially errors on the Applicant's part; the inventor's name was spelled correctly on the cover sheet of the application and on the Oath/Declaration which was signed by the inventor. The inventorship error occurred without deceptive intention on the part of the above-named inventor.

Therefore, applicant respectfully requests that the inventor's full name be spelled correctly as "Andrew J. Boeckl."

If there is a fee involved or any forms required other than this petition in order to correct the inventor's name, Applicant asks to be so informed. The Commissioner is hereby authorized in this petition to charge any fees required to Deposit Account No. 10-0258 in order to correct the name of the inventor.

Respectfully submitted,
